## Cork Cycle Right Registration Form (Stage One Training)

Thank you for your interest in the subsidised Cork Cycle Right Programme.

Please fill out the form below to register your place on the subsidised programme. **Please Note that waiting lists may apply for the programme for the subsidised programme.** Courses must not commence until approval is confirmed, at a risk of excluding a school/group from receipt of support funding.

Courses will be approved primarily on the basis of one class level per school to ensure equity of access to funding. The exception to this is where schools have mixed class groups (e.g. combined 5<sup>th</sup>/6<sup>th</sup>). ALL COURSES WILL BE SUBJECT TO THE CENTRAL PRE-APPROVAL PROCESS with Cycle Right.
