Dear Clare,

On behalf of the Cardiac Support Group – North Cork we wish to thank and congratulate yourself and Sean for planning, organising and supervising our walk in Doneraile Park on 21<sup>st</sup> May 2010 on the occasion of the Summer gathering of the Cork/Kerry Cardiac Support Groups.

Your contributions added greatly to the success and enjoyment of this event.

We look forward to teaming up with Cork Sports Partnership in the future and again many thanks.

Kind Regards,

---
