

Cork BikeWeek

Dear Applicant,

Re: National Bike Week 2022 (14th-22nd May 2022)

National Bike Week coordinated by the National Transport Authority in 2022 to promote cycling throughout Ireland and will take place from **14th-22nd May 2022**. Cork Bike Week is an integral part of National Bike Week with over 8,000 people taking part in 180 Cork events in 2021. In 2022, with your help, we hope once again to exceed this.

Cork City Council & Cork County Council have secured funding from National Transport Authority to support a limited number of club/community/organisation cycling events during Cork Bike Week 2022. Cork City Council & Cork County Council are offering you the opportunity to organise your own National Bike Week event to celebrate cycling within your community during the week-long celebration. The scale and scope of your National Bike Week event is up to you but events that meet the event criteria will be more positively received and prioritised.

Club/Community/Organisation Event Criteria:

- ✓ The event MUST be FREE & take place during Bike Week (14th-22nd May 2022)
- ✓ Family Fun Cycles (10k, 20k, 30k etc)
- ✓ Recreational/Leisure Cycles focusing on including non-club members, the lapsed cyclist, families, beginners etc
- ✓ Focus of inclusion, non-competitive, community focus, family, local school participation

This is an ideal opportunity to promote cycling and create additional awareness of your club/group/organisation in the local community.
